

**REPORT ON CAREER DEVELOPMENT WORKSHOP ON
“MOBILE COMPUTING”**

8th May, 2023

Time: 11 AM to 1.30 PM

Organized by Department of Computer Applications

The Department of Computer Application, Morigaon College, hosted a workshop on “Mobile Computing” which was held on 08-05-2023. at the Conference Hall at 11 AM. The workshop commenced with the invitation of the guests and dignitaries to the dais by Mr. Bulbul Das, Head, Department of Computer Application. The program was chaired by Dr. Lila Kanta Barthakur, Hon’ble Principal of Morigaon College. The Chairperson, Resource person and other guests were duly felicitated with “Phulam Gamucha” and bouquets of flowers by the faculty members of the Department of Computer Application followed by the ‘lighting of lamp’ and a beautiful presentation of “Jatiya Sangeet” by students along with everyone present in the conference hall.

After that, the inaugural lecture is delivered by Dr. Lila Kanta Barthakur, Principal of Morigaon College. The speech emphasized on the prospects of entrepreneurship and its necessity in the state and especially in Morigaon region for future development. He ended his speech with the invitation to the guest speaker for presentation on the topic.

The presentation by the resource person **Piku Moni Borah** comprised of a brilliant interactive lecture on Mobile Computing. All the students actively participated in the event to make it a grand success.

Mobile Computing is a software technology that transfers media through wireless device data, voice, and video without having any fixed connection. The key elements that are involved in this process are mobile software, mobile hardware, and mobile chips.

In recent years, mobile computing has become the focus of vigorous research efforts in various areas of computer science and engineering. These areas include wireless networking, distributed systems, operating systems, distributed databases, software engineering, applications development, just to name a few. The student’s were introduced with the conceptual overview of mobile computing, its achievements, challenges and opportunities. This workshop primarily included practical approaches that advance research
