A brief report on discussion and Interactions:

In the series of various academic activities departmental one day workshop was presented by the department of Chemistry, Morigaon College on 11th May, 2023 at 11am to 2 pm.

The presentation of topic entitled "Patents and Innovation in Cancer Therapeutics" by Miss Nasrin Sultana, DST, INSPIRE FELLOW, Department of Chemistry, IASST, Boragaon, Guwahati, Assam.

The faculties present from Morigaon College, Jagiroad College and Students from Science stream were actively present for the workshop. The workshop was conducted in the seminar hall and it commenced sharp at 11am. The faculty from the department of chemistry welcomed everyone and gave a brief introduction about the subject.

How scientific knowledge is translated into diagnostic and therapeutic tools is important to patients with dread diseases as well as to regulators and policymakers. Patents play a crucial role in that process. She has very clearly gives the role of the Association of University Technology Managers counted 20,968 licenses and options from 175 academic institutions and 6,375 patent applications filed in fiscal year 2000. The act reinforced the patenting norm in research universities and mandated a technology transfer infrastructure at those universities that had not yet established a technology licensing office.

Total 43 were present for the workshop and among them 32 nos. students. There attendance sheet is attached in a separate sheet attached with the file.
