Workshop Report

Entrepreneurship skills help chemistry students turn ideas into solutions

Resource Person:
Dr. Swagata Baruah
Nowgong College

Organized By: Department of
Chemistry
Morigaon College, Morigaon

Date: 13-10-2020
Venue: H1 Hall

Topic: “*Entrepreneurship skills help chemistry students turn ideas into solutions*”

Resource Person: Dr. Swagata Baruah,
Department of Chemistry, Nowgong College

Date: 13-10-2020

Venue: H1 Hall,
Department of Chemistry,
Morigaon College

A brief report on discussion and Interactions:

In the series of various academic activities departmental one day workshop was presented by the department of Chemistry, Morigaon College on 13th October, 2020 at 11am to 2 pm.

The presentation of topic entitled “*Entrepreneurship skills help chemistry students turn ideas into solutions*” by **Dr. Swagata Baruah, Department of Chemistry, Nowgong College.**

The faculties present from Morigaon College, Jagiroad College and Students from Science and commerce streams were actively present for the workshop. The workshop was conducted in the seminar hall and it commenced sharp at 11am. The faculty from the department of chemistry welcomed everyone and gave a brief introduction about the subject.

She has delivered very interestingly how Entrepreneurship in chemistry can help to turn scientific discoveries into practical solutions, create new jobs and industries, drive innovation and economic growth, and promote sustainability. Chemists should be self-confident in thinking about entrepreneurship because they have the knowledge, problem-solving skills, adaptability, entrepreneurial mindset, and expertise that are necessary for starting a successful business. By leveraging their unique skill set, chemists can develop innovative products and technologies that have a real impact on society.

Total 42 were present for the workshop and among them 14 nos. are faculty members. There attendance sheet is attached in a separate sheet attached with the file.
